OCTOBER MEETING

DEMONSTRATOR: Eric Winny

BIO: Due to the hurricane and predicted strong tropical storm winds for our area, we elected to cancel the September 12th meeting at Chattahoochee Wood Turners. As it turned out, it proved to be a good decision. I hope that no one sustained any significant damage or injuries. I was looking forward to meeting our demonstrator, Beth Ireland. Hopefully we can hook up with her at another time.

The October 10, 2017 demo will be from one of our own members, Eric Winney. I encourage you to attend this demo. I believe this is the first demo we have had on the subject of casting. Eric writes about his demo; "How many times have you wanted to do something with those scrap pieces of wood that you have left over from your latest turning? Or wanted to capture a picture of a loved one and make a pen out of it?...casting is a way to use alternate materials to make new items to be used to create new and unusual art. I will bring a pressure pot, molds, alumilite, silmar41, scrap wood and samples to show how things are cast, make some pen blanks, donate to club the blanks and generally have a Q&A on just about anything on casting."

Ramblings from the President

Bert Nagy, President 2017

By the time this gets published we will be about 3 weeks from Marketplace. The dates are November 2, 3, and 4. I hope everyone continued to turn product for the how, even though we did not have a meeting in September.

Here are the details on Marketplace:

The hours are 6:30 to 9:30 on Thursday evening, 9:30 AM to 6:00 PM Friday, and 9:30 AM to 5:00 PM Saturday. We will setup on Thursday morning and tear down right after the show closes. We are going to need a lot of help to pull this off. We should have 4 people per shift, and as much help as possible to setup and tear down. More details will be provided at the club meeting, including attire and training.

I will have signup sheets at the club meeting, so please save some time to help out. Keep in mind that the 50% of the monies raised will be returned to the club members in the form of wood turning scholarships

After Marketplace our next big event is the Christmas party. The date is the same as our regular monthly meeting -2nd Tuesday, in this case December 12th. The party is at the Lakewood Baptist Church on Thompson Bridge. We will have a nice meal, and an auction and raffle. We will also do an exchange of turned wooden ornaments. Please save the date. A letter will be sent out in the near future.

Sincerely
Bert Nagy

Hands on Woodturning (HOW)

Oct Session, Tues. Oct 17: Christmas is coming! We will turn one or more simple one-piece Christmas ornaments. The club has some tools available so you if you don't have tools no problem. But as always, you may want to bring your own familiar tools. For these ornaments the main tools will be a spindle roughing gouge, spindle gouge, parting tool and skew.

Call for Woodturners: Come and enjoy some fun and fellowship with your turning buddies. And maybe even learn new and creative techniques in woodturning. No skill prerequisites required, come as you are. If you are not ready for this project we will work with you on sharpening and beads and coves. **Time:** 10AM – 2PM. Bring a lunch. Cold drinks in the refrigerator for a buck. This workshop will be \$5.00 to cover wood and supplies.

- For those of you with a PM3520, check out <http://mustardmonster.weebly.com/> for great tips such as making your own moveable remote safety cut off switch. This is great device when you are hollowing and working on the inside of a bowl. You can make this for a few bucks compared to more than \$100 to buy one from Powermatic.

- **ROCKLER:** Most of us would rather just shop online rather than driving to Sandy Springs to get a discount. I spend over three hours a day in my car coming and going so I know the frustrations in getting to our store, but keep in mind that we stock several things instore that you will never see on our website. However, if you enjoy letting the Big Brown Truck bring you packages then I would like to extend the following offer:

\$7 flat rate UPS shipping if you call the store to place your order, mention that you're a club member and get your 10% discount.

Spend over \$100 and we'll ship for FREE! (excludes power tools)

I would like to personally thank your group for the continued support of woodturning in our state and local community. If there is anything we at Rockler can do to support you all, please feel free to contact myself.

Sincerely, Jeff Slaton
