Chapter #112 of the American Association of Woodturners

Volume 10, Issue 6

June 2007

## **June Meeting, Wednesday June 20, 2007 Baxter's Belmont Shop**

### **The President's Turn**

June 2007

Pat Johnson's demo on the four-leaf clover box last month was an interesting variation on turned boxes that I hope encourages each of you to try something new. Pat did a great job of getting his message across on the special aspects of the clover shape as well as the basics of box turning.

We're all looking forward to the June 20<sup>th</sup> meeting with Jimmy Clews. Please take note of the change in meeting date for June only. We are meeting on Wednesday evening so we could take advantage of Jimmy's availability. You don't want to miss this one.

You are in for a real surprise when you see Baxter's Belmont Shop. Dan Albertus had suggested we consider expanding the available space. He asked Sara Baxter if it would be all right with her if we took out the office walls to open up the space. She was very receptive so, a couple of weeks ago, Dan, Theron Rogers and Mike Wellborn met at the shop and got the job done. Attached is a picture that Theron took of the new space. We can now accommodate about 60 people instead of the former 40 or so! There have been a few other changes that I think will enhance our meetings quite a lot. Great work guys.

We've received a scholarship to John C. Campbell from the Southern States Symposium for \$500. The board will be discussing ways to use it, such as conducting a raffle, so if you have any suggestions please speak to one of the board members.

I am looking forward to seeing you WEDNESDAY, June 20<sup>th</sup>. Come early for the 6:00 PM sandwich dinner and discussion followed by the business meeting at 6:45 and the demonstration at 7:00 PM.

Jerry

## **Website**

The Chattahoochee Woodturners website (<http://www.chattwoodturners.org/news.php>), is being managed by Jimmy Irvin, a Chattahoochee Member. Please feel free to contact one of the officers if you have questions, comments, or suggestions for the website. Also note that members may post classified ads, articles, and links to suppliers, instructors, and woodturning resources areas of the website themselves.”

## **Membership**

Let’s bring a friend, relative, or neighbor to our next meeting. The more dues paying members we have, the better demonstrators we can bring in, the better the information transfer, the better and larger the raffles, etc. Please forward this newsletter to anyone you think might be interested in turning wood. Then give me his/her e-mail address and I will add them to our monthly mailing. You do not need to be a member to receive our newsletter.

## **Pre-Meeting at 6PM**

Don’t forget to come at 6PM to have a sandwich and a drink, and ask your woodturning questions!

## **Video Library**

Remember all members have access to our video library. We have both video tapes and DVD’s. They include authors Jimmy Clewes, Chris Stott, Ed Moulthrop, Richard Raffan, Binh Pho, Nick Cook and others. Many woodturning subjects are covered, such as turning bowls, pens, boxes, spindles and more. We also have pictures of the gallery from many national symposiums. They will give you many idea’s for new challenges. Any member can rent them for \$2.00 per month. We use the rental

proceeds to purchase new DVD's. So, the more you rent, the more new DVD's we can purchase! If you have any questions please see Andy Smith, the librarian.
